Re: Freedom of Information Act - Records Request

To Whom it May Concern:

This office represents Dynamic Management Solutions, LLC. ("DMS"). This request ("Request") is being submitted pursuant to the Freedom of Information Act, 5 U.S.C. § 552. For purposes of this Request, the below terms are defined as follows:

"Application Package" shall mean the Application for Cleanup of Polychlorinated Biphenyls Old Town Demolition Phase I Project, approved by the U.S. Environmental Protection Agency ("the EPA") on or about May 10, 2016.

"Communications" shall mean and refer to every manner or means of disclosure, transfer, or exchange of information, whether orally, or in writing, whether face-to-face, or whether by telephone, mail, e-mail, voice mail, wire, or otherwise, between any persons or entities whatsoever.

"Documents" shall mean and include, without limitation, all public records as defined by FOIA, specifically including all ESI.

"The EPA" shall mean the United States Environmental Protection Agency, including Region 9.

"PCBs" shall mean polychlorinated biphenyls.

"Project" shall mean the Old Town Phase I Deactivation and Demolition Construction Services for the Lawrence Berkeley National Laboratory, as more fully described in Construction Subcontract No. 7209030, issued under Prime Contract No. DE-AC02-05CH11231.

"The University" shall mean the Regents of the University of California, Lawrence Berkeley National Laboratory.

“Writings” shall mean and refer to any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including correspondence, letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored.

The following documents are hereby requested:

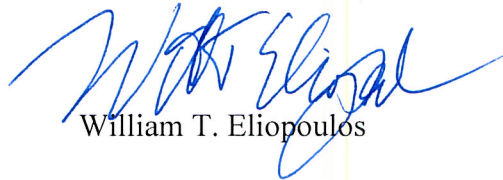

1. All Communications between the University and the EPA related to PCBs at the Project from January 1, 2014 through the date of this Request, including, but not limited to, (a) all notifications provided by the University regarding the discovery of newly identified PCBs at the Project, (b) all requests for information submitted by the EPA to the University in connection with PCBs at the Project, (c) all responses thereto provided by the University.

2. All Communications between the University and the EPA from April 1, 2014 to the date of this Request related to the EPA’s involvement in and/or oversight of the Project.

3. Any and all amendments and/or revisions to the Application submitted between November 1, 2016 and the date of this Request.

Please do not hesitate to contact me directly with any questions. We are willing to pay up to \$500 in fees in connection with this request. Thank you for your prompt attention to this matter.
